

Can common medications influence driving performance in mature adults?

Please join us at Touro University California for a research study to find out.

Requirements are:

You must be 60 years old or older

You must actively drive on a weekly basis

You must be willing to visit us at our historic campus on Mare Island in Vallejo, CA

If you meet the above requirements, you are cordially invited to be a participant in our study.

If you are interested in this opportunity, please contact us:

Dr. Paul Perry

Dr. Shadi Doroudgar
